

Martin Luther King

- Martin Luther King was the leader of the civil rights movement in America which fought against racism which was rife at the time.
- He won the Nobel peace prize in 1968 and the presidential medal of freedom
- This was before he was assassinated in later in 1968
- He is now considered a great martyr by many around the world
- And there is now a Martin Luther King Day in his honour!

ONE PERSON CAN MAKE A DIFFERENCE
