

Market Weighton

Be a pilot. Get married, have children of my own then spend the rest of my life with the person I married.

*To abseil down the Humber Bridge.
To become a nurse.*

I would like to go ski-ing. I want to climb Everest. I want to meet Jordan.

I want to join the Police.

I want to meet David Beckham, watch Real Madrid. Meet Michael Jackson.

I would like to go on the highest and fastest rollercoasters, skydive from an aeroplane, travel the world.

My dream is to be a professional moto crosser.

*Hopes and
Dreams*
